Company Profile...

Founded wayback in 1988, ARZ international trading is one of the oldest companies in the united arab emirates involved in trading, manufacturing & distribution of the fast moving consumer goods.

The company started with a few products meant for only local consumption, it has grown into a large company with a very strong and diverse product range. With some well known international brands in its portfolio, Today, Al Arz International Trading LLC is a highly recognized company in the region in FMCG (fast moving consumer goods) sector.

Having established it self in distribution, ARZ International Trading LLC entered into manufacturing in 2008.

As a manufacturer, ARZ International Trading LLC has a cost advantage, which helped it to be successful in entering foreign markets. Today, ARZ International Trading LLC is exporting to several countries, apart from manufacturing and distribution.

Future Plans

Being a part Memari Group, ARZ International Trading LLC is driven by aggressive expansion policies of the holding company.

The company has been working on adding some European brands to its portfolio. Italian Chips, Turkish Cakes, Spanish olive oil are a few of the items that will be added very soon to the already existing range of products.

Apart from adding to its imports, the company has plans to add countries to its exporting list. To expand in the African market is company's top priority.
